Share you thoughts on the interview series we started to publish today in support of the JA:Flashback campaign. The interviews were done with the community contribution here at Bear's Pit and will be published starting today at our news portal, JAGalaxy.com.

PUBLISHED: Chris Camfield about the past and future of the JA franchise. And a strange merc called Olaf
PUBLISHED: Ian Currie, creator of the Jagged Alliance series, talks about why he supports JA:F and what he would love to see in it
PUBLISHED: Thomas Lund, the architect of the newest entitlement of the series and CEO of Full Control
