Hi Friends,

"Repeating my last post from the games section"

WarCabinet closed early alpha playtesting will start within a week.

We will be glad if experianced players like you with passion for strategy games would be intrested to play the game.

You unbiasted feedback will help us to further improve.

If intrested to try it out and willing to spend some time writing your valuble feedback then do not hesitate to PM me.

Thanks for the support so far!

I will be starting separate threads under this forum section. Stay tuned and prepare for battle

It is worth checking character design at www.warcabinet.net

First game experiance feedbacks started to arrive.

The more the better! Be a part of game improvement.

Thank you.

New release is distributed.

You are welcome to share your thoughts either by PM me or post it here.

Would be interested to get feedback about mission difficulty and enemy tactical AI or anything else you've noticed.

Mini-map and more units will be included in the next build.
