Hey, how can I to reassign Manuel from M.E.R.C. to one of the map sector (like in Arulco Revisited)? Is there a possibility?

In other words - how to replace merc from M.E.R.C. (i've delete his profile in M.E.R.C., changed type in Data-AIM\TableData\MercProfile.xml to 3),
to a sector of Arulco nap (can be dicovered?)? AIMNAS BigMaps BETA
